

# Teaching Assistant Positions for Master's Program SaTec

For our new Master's program Satellite Technology (SaTec) we are looking for graduate students interested to become a part of our research team.

## What we expect:

- Excellent Master's degree (or equivalent) with a focus on at least one of the following fields:
  - Space technology
  - Telecommunication
  - Electronics or Mechanical Engineering
  - Robotics
  - Control
- Proficiency in oral and written English (German skills are of advantage)
- Communicability, openness and willingness for integration into our research & teaching team work

## What we offer:

- Multidisciplinary research environment
- Outstanding international research network
- Qualified supervision and support in research
- Opportunity to pursue a PhD thesis in parallel

The position can be filled in full-time or part-time. We encourage the application of qualified women. Electronic applications should include the following documents (each in a separate file) in English and be sent to: [space@informatik.uni-wuerzburg.de](mailto:space@informatik.uni-wuerzburg.de)

- Letter of Motivation (up to 1 page)
- Curriculum Vitae
- Research Outline (up to 3 pages including a research question, hypothesis and short bibliography)
- Electronic copies of all relevant transcripts and certificates of bachelor and master degrees or equivalent courses
- Names and contact information of two academic referees

**DEADLINE: September 1st, 2018**

For further inquiries please contact Prof. Klaus Schilling
